

# 5-POINT FULL-BODY HARNESS

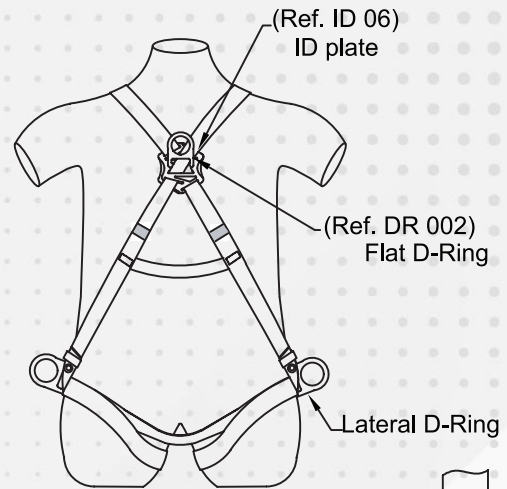

## Part Number: FAP15503G(OR)-SK

The **Wolverine Repel™** line of safety harnesses includes a high-tenacity polyester webbing with a special coating to provide oil, dust, dirt, and water-resistant protection for petrochemical, painting, water treatment, food processing, offshore, and general industry applications. All of our harnesses include a fall indicator and coated hardware for added corrosion resistance.
